The 3M 6000 Series Full Face Respirator is 3M's cornerstone full-face respirator. Utilising the simple 3M Bayonet filter attachment system, all filters are fitted quickly and easily.

- Lightweight and well-balanced full-face mask
- Flexible system (gas/vapour and/or particulate filters)
- Silicone Face Piece material
- Wide field of vision and impact resistance with a polycarbonate lens
- Available in 3 Sizes
- Low maintenance
