

3M VERSAFLO S-657 RESPIRATOR HOOD

SKU: 3MS657

£96.85 ex VAT

Stock: Available to Order (2-3 Days) Ordered in and delivered within 2-3 days.

Manufactured from a lightweight fabric, this cost-effective head cover is for use with the 3M Versaflo powered respirator system. It extends over the head, neck and shoulders, while the wide visor provides resistance to impact and liquid splash. Simply attach this headtop to your Versaflo device via a breathing tube.

- Head cover for use with the 3M Versaflo powered respirator
- Cost-effective, two-layer polypropylene fabric with a PETG visor
- Features double shroud and reusable suspension
- Provides coverage for head, face, neck and shoulders
- Provides eye and face protection from low-energy impact and liquid splash
- Inner shroud can be tucked into a shirt or protective coverall to allow excess air to be channelled over the body and provide additional comfort
- Highly cost-effective in applications with a high disposal rate
