

BAGASSE COMPOSTABLE ROUND PLATES 9"/22CM (500 BOX)

£33.75 ex VAT

SKU: PLP009

Made from a renewable and sustainable plant source, our bagasse plates are 100% biodegradable, making them the perfect option for the environmentally conscious caterer.

This product is suitable for serving oily and greasy foods, due to the absorbent nature of the material the plate is made from.

- Made from a renewable plant source
- 100% Recyclable
- 100% Biodegradable
- 100% Compostable
- Can be used to serve a variety of products
- Ideal for serving oily and greasy products
