The **Big White Exel Socket Mop Head** is a highly absorbent mop head that absorbs up to three times its own weight in water than a standard cotton mop. Even though this mop head easily absorbs all that water, it still is easy to wring out. Big White Mop Heads is a cost-effective mopping system that can be machine washed.

- This mop head is scientifically proven to inhibit bacterial growth and offers a hygienic alternative to other mopping systems
- Suitable for nursing homes, hospitals and schools.
- A lightweight with ultra-absorbency, fast drying time, this mop is ideal for high traffic areas.
- This mop is also 50% lighter than some other PY socket mop heads and it is very cost-effective.
- Pack of 10 x 135g
