This floor pad is suitable for light cleaning and spray washing.

- Can be used on both sides with no loss of efficiency
- 85mm centre hole punch-out for easy attachment to a floor machine.
- A special mix of resins and abrasive grains deeply impregnated ensure quality performance both in wet and dry use.

- Virgin polyester fibres free from contaminants help to create a range of hard-wearing, durable and pliable floor pads.
- Heavy denier fibres guarantee strong tensile quality and continuous contact with the floor surface.
- 22mm thick pad depending on the grade of the pad.
