£50.00 ex VAT

Stock: Available to Order (2-3 Days) Ordered in and delivered within 2-3 days.

This **Blue DPM Polythene Sheeting** (1000g, 4m x 25m) is a **high-performance damp proof membrane** designed for use in construction and groundwork. Offering superior strength and moisture resistance, it's ideal for preventing rising damp and protecting floors, foundations, and materials in demanding conditions.

- **Size: 4m x 25m Roll** - Large coverage for efficient installation
- **1000g Thickness** - Extra heavy-duty grade for tough environments
- **Blue Polythene** - Durable and easy to identify on-site
- **Damp Proof Protection** - Helps prevent moisture ingress from the ground
- **Tear-Resistant & Waterproof** - Suitable for concrete flooring, underlays, and foundations
- **Complies with Building Regulations** - Trusted by professionals for structural protection
