Stock: Available to Order (2-3 Days) Ordered in and delivered within 2-3 days. 0

The Bolle Globe goggles provide superior protection with an expansive field of vision, making them an essential choice for any company seeking ultra-reliable, easy-to-use safety eyewear. The lightly translucent frame enhances environmental awareness by reducing glare and optimizing visual clarity. Designed with sustainability in mind, the goggles are engineered for easy disassembly, allowing quick separation of materials for improved recyclability at the product's end-of-life.
