The Delta Plus Premium Tig Welding Gauntlet is made from high-quality goat leather and further reinforced with a cow split leather cuff to ensure outstanding protection to the wrist and lower arm. They provide reliable protection against abrasions and tears, as well as heat and small drops of molten metal, which makes them ideal for TIG welding

- Goatskin full-grain leather
- Cowhide split leather cuff
- Kevlar® Technology sewn
- 15 cm cuff
- Length: 35 cm
- Contact Heat to 100°C

EN388: 2016
