The Delta Plus Waterproof Nitrile Foam Palm Coated Gloves are manufactured from 100% polyamide with a full nitrile coated hand with a second foam nitrile coating to the palm and fingertips. The flexible work gloves offer excellent adhesion and are ideal for use in oily and greasy environments. They are fully waterproof and provide a firm grip when either wet or dry.

- CE Marked
- Waterproof construction
- Ideal for oily and greasy work
- Suitable for both wet or dry handling work
- Highly flexible
- Extremely comfortable
- Acrylic-supported wrist.
- Long lifespan
