SKU: DNG250

£34.90 ex VAT

Stock: Available to Order (2-3 Days) Ordered in and delivered within 2-3 days.

This **Green Debris Netting** (2m x 50m) is designed to improve safety on scaffolding and construction sites by containing falling debris and reducing the risk of injury to workers and the public. Made from **durable, UV-stabilised polyethylene**, it also provides a windbreak and helps protect the working environment.

- **Size: 2m x 50m Roll** – Covers large areas quickly
- **UV-Stabilised** – Withstands sun exposure for long-term use
- **Improves Site Safety** – Helps prevent debris from falling onto public areas
- **Easy to Install** – Eyelets along the edges for secure fixing to scaffolding
- **Green Colour** – Discreet and suitable for urban or landscaped settings
