The EVO®3 Comfort Plus helmet combines a super strong shell for superior all-day protection in the widest range of environments, with the comfort benefits of the Evolution® 3D-Adjustment harness system. EVO®3 is an advancement of the long-established MK®2 and Mk®3 helmets, which were first launched in the 1970s, the EVO®3 retains the JSP signature styling while incorporating developments first seen in the EVO®8. Packed full of the latest protection technology and features such as the Evolution® 3D-Adjustment harness system, Revolution® Wheel Ratchet, or the unique OneTouch™ Slip Ratchet, which can be adjusted using one hand in a single swift movement.

Tough HDPE shell

In tests, the EVO®3 proved far tougher than the EN397 standard required and far tougher than any of its competitors.

Supreme Comfort

A 6-point textile cradle harness system offers unrivaled comfort.

Chamlon™ Sweatband

Cotton core sweatband with porous PU coating for maximum absorption. PH neutral, dermatologically tested.

3D-Adjustment harness system

Never before has such a precise fit been attainable on an industrial safety helmet, using the unique 1-2-3 point harness depth settings.

Adjustment

Revolution® Wheel Ratchet.

EVOSpec®

The helmet with an integral visor ensures that eye protection is on hand when needed and never lost, whilst removing the need for additional eye protection. Protects to EN 166.1.F

Universal Slots

Enables firm fitting of a range of Surefit™ safety visors and ear defenders.
