Matt Black Aluminium Foil Tape is designed for professional sealing and masking applications where a non-reflective finish is essential. Its strong adhesive and durable construction ensure reliable performance in a variety of environments.

- **Non-Reflective Matte Black Finish:** Ideal for discreet sealing and masking, perfect for stage, film, and photography.
- **Strong Adhesion:** Bonds securely to a range of surfaces, including metal, plastic, and wood.
- **Temperature Resistant:** Performs well in both high and low-temperature conditions.
- **Durable Aluminium Construction:** Offers excellent strength and tear resistance.
- **Versatile Applications:** Suitable for insulation, masking, and sealing tasks in professional and industrial settings.
