This high-quality non-reflective gaffer tape is designed for professional use across the TV, film, and entertainment industries. Its matte finish minimizes light reflection, while its strong adhesive and durable cotton cloth construction ensure consistent performance.

- **Non-Reflective Matte Finish:** Ideal for camera work, stage settings, and professional applications.
- **100% Cotton Cloth:** Provides a durable and flexible material with an absorbent surface perfect for writing directly on the tape.
- **Strong Adhesive:** Sticks firmly to clean, dry surfaces and removes with minimal residue.
- **Easy to Tear by Hand:** Quick and convenient application without needing tools.
- **Versatile Use:** Perfect for labelling, securing cables, and temporary repairs.

Also known as camera tape, this non-reflective gaffer tape is trusted by professionals for its performance and
