Stock: Available to Order (3-5 Days) Ordered in and delivered within 3-5 days.

Persil Pro Formula Biological is a powder detergent specially formulated for the fabric-washing needs of professional operators. The mixture of soap, surfactants, and enzymes makes its formula very effective to remove tough soiling conditions while the optical brighteners make white fabrics brighter. The combination of bleaching agents and the compound chemical TAED can act already from 30° C.

- 130 Washes
- Wash booster technology to help remove tough stains.
- Ideal for use on a quick wash with a cool programme.
- High performance on a wide range of soils including oily and greasy stains
- Biological action: contains enzymes that are highly efficient stains removal ingredients
- Effective even in a quick wash and at 30 °C
