The **PIP E-ZED Electronic Bluetooth Ear Defender** combines reliable **SNR 32** hearing protection with modern Bluetooth connectivity, allowing users to stay protected while remaining connected on the job. Ideal for industrial, construction, and maintenance environments, it offers comfort, clear audio, and enhanced safety for all-day use.

- **SNR 32 Rating:** High-level noise reduction for loud working environments.
- **Bluetooth Connectivity:** Stream music or take calls hands-free while staying protected.
- **Electronic Sound Management:** Amplifies safe ambient sounds while suppressing harmful noise.
- **Padded Headband & Cushioned Ear Cups:** Ensures long-lasting comfort during extended wear.
- **Rechargeable Battery:** Offers hours of wireless use with convenient charging.
- **Built-in Microphone:** Enables clear communication without removing protection.
- **Certified to EN 352-1:** Meets European standards for electronic hearing protection.
