Prima Hot Melt Clear Machine Packaging Tape is designed for use with automated packaging systems, offering superior adhesion and long-lasting durability. Perfect for high-volume operations, its hot melt adhesive ensures strong, reliable sealing on a variety of materials.

- **Hot Melt Adhesive:** Provides exceptional bonding strength for secure sealing.
- **Clear Finish:** Ensures a professional and clean appearance.
- **Long Length:** 990m per roll minimizes downtime for refills.
- **75mm Core:** Designed for use with standard machine tape dispensers.
- **Box of 6 Rolls:** Convenient bulk packaging for high-volume operations.
- **Versatile Use:** Ideal for sealing cartons and packages in industrial, warehouse, or shipping environments.
