SKU: QC2050

£24.45 ex VAT

Stock: Available to Order (3-5 Days) Ordered in and delivered within 3-5 days.

This Q-Connect laminator will coat anything from business cards up to A4 documents and posters in 2x125 microns of plastic. This is useful for protecting your important documents against dirt and water damage, and gives them a professional finish, making it perfect for business use. With a warm-up time of 1.5 - 2 minutes, and a laminating speed of 400mm per minute, this laminator provides an efficient cost effective solution for your laminating tasks. It also features LED indicators to let you know when it is on and ready.

- Create formal business cards and documents with this A4 laminator
