Ram Board Seam Tape is specially designed to bond Ram Board floor protection seams together, creating a **secure, trip-free surface** during construction or renovation. At **76mm wide**, this heavy-duty tape offers strong adhesion without damaging floors, making it the perfect companion for Ram Board installations.

- **Size: 76mm x 50m** – Wide coverage for fast, efficient application
- **Heavy-Duty Adhesive** – Designed to stick firmly to Ram Board
- **Floor-Safe** – Won't damage surfaces when removed
- **Tear-Resistant** – Holds up under foot traffic and equipment
- **Clean Removal** – Leaves minimal residue
- **Essential for Ram Board Installations** – Creates smooth, continuous protection
