Our 800kg Light Duty Claw Hook Ratchet Lashing, a reliable and versatile solution for securing your cargo with ease and efficiency. Designed with precision and adherence to safety standards, this lashing strap is equipped with features that make it an essential tool for various hauling needs.

Key Features:

- **Claw Hook End Fittings:** The strap comes fitted with claw hooks on both ends, ensuring a secure and stable connection to anchor points. These durable hooks provide a firm grip, enhancing the overall safety of your cargo.
- **Paddle Handle Ratchet:** Featuring a user-friendly paddle handle ratchet, this lashing provides a convenient and straightforward mechanism for tightening and releasing the strap. The ratchet system allows for precise tensioning, ensuring a secure and reliable hold on your load.
- **25mm Blue Polyester Webbing:** Crafted from high-quality 25mm blue polyester webbing, this strap offers both strength and flexibility. The vibrant blue colour not only adds a touch of visibility but also signifies the durability and resilience of the material.

- **800kg Break Force (BF):** With an impressive 800kg break force, this lashing strap is engineered to handle substantial loads, providing you with the confidence to transport your goods securely.
- **400kg Lashing Capacity:** The lashing strap is designed to accommodate a lashing capacity of 400kg, ensuring a reliable and safe restraint for your cargo during transportation.
- **4 Metre Overall Length:** The 4-meter length of the strap offers versatility, allowing you to secure various-sized loads with ease. This length is practical for a range of applications, from small-scale hauling to more extensive transport needs.
- **EN12195-2: 2001 Compliant:** Our lashing strap complies with the EN12195-2: 2001 standard, meeting strict European regulations for quality and safety. This ensures that you can trust the performance and reliability of our product.
