SKU: SCAF235

£127.40 ex VAT

Stock: Available to Order (2-3 Days) Ordered in and delivered within 2-3 days.

These **Scaffold Foam Protector Tubes** are designed to cushion scaffold poles and reduce the risk of injury on-site. With a **bright, high-visibility finish** and **durable foam construction**, they help enhance site safety by drawing attention to potential hazards and providing soft impact protection.

- **Size: 50mm x 2m per tube** – Fits standard scaffold poles
- **Box of 35 Tubes** – Ideal for full site coverage
- **High-Visibility Colour** – Improves awareness and hazard marking
- **Durable Foam Construction** – Provides effective cushioning against bumps and knocks
- **Quick to Fit** – Easily slots over scaffold tubes with a snug fit
- **Reusable & Weather Resistant** – Suitable for long-term use in tough environments
