Stock: In Stock Order before 3pm for Next Day

Delivery. 2

These **Scaffold Tube End Caps** are designed to fit securely over the open ends of scaffold tubes, reducing the risk of injury from sharp edges and preventing debris or water ingress. Supplied in a **pack of 200**, they're ideal for maintaining safety and cleanliness on construction sites.

- Pack of 200: Great for large-scale projects or ongoing site maintenance
- Durable Plastic Construction: Weather-resistant and built to last
- Push-Fit Design: Quick and easy to install without tools
- Improves Site Safety: Covers sharp tube edges to help prevent cuts or snags
- Helps Keep Tubes Clean: Blocks out water, dirt, and debris
