Upgrade your facility's hygiene standards with the **Scott® Essential™ Slimroll™ Rolled Hand Towels 6695**. Designed for efficiency and sustainability, these hand towels offer the perfect balance of performance and value. The compact, space-saving design makes them ideal for high-traffic environments where space is at a premium.

- **Compact and Efficient:** The Slimroll™ format is engineered to fit in smaller dispensers, making it an ideal choice for tight spaces while reducing maintenance with high-capacity rolls.
- **Premium Absorbency:** Each towel features absorbency pockets that effectively wick away moisture, helping users dry their hands quickly and efficiently with fewer towels.
- **Hygienic Solution:** Designed for touch-free dispensing, these hand towels help minimize the spread of germs, contributing to a cleaner and safer environment.
- **Eco-Friendly:** Made with 100% recycled fiber, these towels are certified by both the FSC® and ECOLOGO®, supporting your facility's sustainability goals without compromising quality.
- **Cost-Effective:** The long-lasting roll reduces the frequency of refills, helping to lower operational costs while maintaining a high standard of cleanliness.

Ideal for: Office buildings, healthcare facilities, education institutions, and any other setting where both space and hygiene are critical.
