

SINGLE RED MOULDED FIRE EXTINGUISHER STAND 6KG/6L OR 2KG

£38.45 ex VAT

SKU: FEHS15

This single fire extinguisher stand has a cut out base designed to secure a 6/9 kg/l extinguisher. It gives the extinguisher a firmer base to sit on as opposed to the standard flat base stands. This makes them an ideal option for public areas where the stands are likely to get knocked.

- Holds 1 extinguisher up to 9kg
- Conveniently moulded ID sign position
- Compact design
- Rotationally moulded
- UV stabilised PE
- Fully recyclable
- Sign supplied separately
