The **Sundström SR 570 Replacement Polycarbonate Visor** is designed to restore clear vision and reliable protection to your **SR 570 face shield system**. Made from high-quality, impact-resistant polycarbonate, it offers excellent optical clarity and durability for demanding work environments.

- **High-Impact Polycarbonate:** Tough, shatter-resistant material for dependable face protection
- **Crystal Clear Visibility:** Maintains a wide, unobstructed field of view
- **Designed for SR 570 Headtop:** Ensures perfect fit and secure installation
- **Easy to Replace:** Quick swap to maintain optimal performance and hygiene
- **Scratch-Resistant Coating:** Helps extend visor life in abrasive conditions
