The **Sundstrom SR100** is a premium reusable half mask respirator designed for professional use in demanding environments. Made from soft silicone for an exceptional fit, it offers outstanding comfort, durability, and protection against dust, gases, and vapours when paired with the appropriate filters.

- **Soft Silicone Facepiece:** Ensures a secure, comfortable, and long-lasting fit.
- **High Protection Level:** Compatible with Sundström gas, particle, and combined filters.
- **Adjustable Harness:** Designed for optimal comfort and even pressure distribution.
- **Easy to Clean & Maintain:** Built for long-term, reusable use.
- **Professional Grade:** Ideal for construction, painting, chemical handling, and industrial tasks.
