The **Traega ZED1 Ear Defender** is designed to provide dependable hearing protection in moderate to high-noise environments. With a certified **SNR of 28**, it effectively reduces noise exposure while ensuring comfort through its padded headband and cushioned ear cups—ideal for use across construction, manufacturing, and general industry.

- **SNR 28 Rating:** Provides solid noise reduction for industrial and workplace environments.
- **Padded Headband:** Soft and adjustable for a secure, comfortable fit.
- **Cushioned Ear Cups:** Ensures comfort during extended wear while maintaining a tight seal.
- **Lightweight Design:** Minimises fatigue without compromising protection.
- **Adjustable Fit:** Suitable for various head sizes for optimal usability.
- **Durable Build:** Robust construction to withstand tough working conditions.
- **Certified to EN 352-1:** Meets European standards for hearing protection.
