Uniwipes Bio Clinical Disinfectant Wipes are powerful, ready-to-use wipes that clean and disinfect in one step. Ideal for clinical, workplace, and everyday use, they kill **99.999% of bacteria** and are effective against viruses and fungi. Made from biodegradable materials and **alcohol-free**, they're gentle on skin and safe for frequent use on a wide range of surfaces.

- **100 Wipes per Pack:** Convenient resealable pack for hygienic, easy dispensing.
- **Dual Action Formula:** Cleans and disinfects in one quick application.
- **Kills 99.999% of Bacteria:** Effective against a broad spectrum of pathogens.
- **Biodegradable & Eco-Friendly:** Sustainable wipe material and formula.
- **Alcohol-Free & Dermatologically Tested:** Safe on skin and surfaces, with no harsh odours.
- **Fast-Drying:** Leaves a streak-free, residue-free finish.

Uniwipes Bio Clinical Wipes combine effective disinfection with environmental responsibility—perfect for professional and everyday hygiene.

Tested to EN Standards:

- **EN 1276** (bactericidal)
- **EN 14476** (virucidal)
- **EN 13697** (surface disinfection)
- **EN 13727** (medical bactericidal activity)
- **EN 16615** (4-field test for surface wipes)
