White PTFE Tape is a high-quality solution for professionals needing reliable sealing of threaded connections. Designed for plumbing, HVAC, and other industrial applications, it ensures a secure, leak-free fit on a variety of systems.

- **Professional-Grade PTFE:** Engineered for durability and reliable performance.
- **Thread Sealing:** Effectively prevents leaks in threaded pipe connections.
- **Versatile Applications:** Suitable for water, air, and non-corrosive systems in industrial and plumbing work.
- **Compact and Convenient:** 12mm width and 12m length, ideal for professional toolkits.
- **Easy Application:** Wraps smoothly and securely around threads for precision sealing
